VERSE 1

O, come let's sing, let us rejoice! O, come let's sing, let us rejoice:
Messiah's come, and He's brought joy! O, He's brought laughter into my soul!
I once was dead, my spirit cold, I had no joy, far from the fold,
Messiah came, He made me sing, O, He put laughter into my soul!

CHORUS

He put laughter into my soul, Yeshua, You made me whole
You've rejoiced over me with Your singing, And put laughter into my soul

VERSE 2

Long ago they promised, He'd bring us light, Long ago they promised, He'd bring us light,
A light to lighten, wandering feet, But He brought laughter into my soul!
It would have been enough, had He brought light, It would have been enough, had
He brought peace,
It would have been enough, had He brought love, But He brought laughter into my soul!
