## Verse

I will exalt You O LORD

at noon and at night  
For You have shown mercy to me

## Chorus

So I will dance  
You have shown mercy to me  
My heart will sing  
You have shown mercy to me  
Fill me with joy  
You have shown mercy to me  
You have shown mercy to me

My mourning now  
You have turned into dancing  
You removed my shroud  
and now I'm clothed with joy  
That my heart may sing
